The Vancouver Prostate Centre at VGH

The Vancouver Prostate Centre at VGH is Canada's foremost centre for prostate cancer treatment and research, and is recognized as a leading centre internationally. Since its founding in 1998, the surgeons and researchers at the Vancouver Prostate Centre at VGH have developed and delivered optimized care results to B.C. men with prostate cancer. While B.C. has the highest incidence of prostate cancer in Canada, it also has the lowest mortality rate thanks to the pioneering treatments and innovative research here at the Vancouver Prostate Centre at VGH.
